Mr. Mcveigh,

I would like to thank you for your participation in the South Georgia Fish Pond Workshop held on 9/19/08. Your presentation on the management of Osprey Cove's retention ponds was extremely well liked by all who attended. Mr. Charles, from Charles Aquatics, also did a wonderful job discussing weed control with our group. I also appreciated his willingness to take questions on a variety of topics related to fish pond management. I know I speak for all, when I say we would love to have you both come back next year!

Sincerely,

Robbie Edalgo
